

YOU'RE INVITED · PUBLIC WORKSHOP

Help Shape *Chenango's Future*

Your town. Your vision. Your future.

This public workshop kicks off the update to the Town of Chenango's Comprehensive Plan — the official guide shaping how our town grows, invests, and thrives for years to come. Join us on March 31st for an interactive evening of small group conversations and hands-on stations focused on the issues that matter most to you: from agriculture and housing to transportation, economic development, and community character. All are welcome — come share your ideas!

March 31st at 6:30 PM
